## Weekend of Ohana 2015 RECAP

The Hawaiian camping trip of the summer was a blast with hundreds of Masonic Youth and Advisors gathered together for a weekend full of fun, laughs, and ohana. After being hit by typhoons, hurricanes, monsoons, and tsunamis, the Masonic Family was finally able to gather together over a very warm "Bondfire" to enjoy each other's fellowship. The next morning was full of (2-3) soft pancakes and delectable sausages. Campers, with full tummies, competed in an obstacle course that was filled with shaving cream, Cheetos, one hula hoop, and a few Ships and Sailors. A competitive sandwich contest then took place, (shoutout to Bethel #25 for winning!) and all the surfer dudes and dudettes rode the big kahuna on cardboard for some stoketacular sandals.

Afterward, there was dining on some far-out fajitas, and the Mr. and Miss WOO Pageant became the highlight of the event! With many dances, jokes, and talents that would even impress Simon Cowell, Damien Srey and Molly Cebulla were crowned Mr. and Miss WOO. Later the campers went hula dancing the night away. With the sun setting on the Weekend of Ohana, everyone

# EMPIRE DAYS 2015

## SPOKANE, WA

250 miles from Seattle, in the River City of Spokane Valley, Washington exists what some may call a small chapter, but what this chapter is not small on is spirit and brotherhood. On July 30, Empire Chapter began its annual Empire Days with a fun and very messy food fight. The fight was ended with a very slippery capture the watermelon... sadly the watermelon didn't make it, but seeds of brotherhood were planted in its honor. The next day, the group headed over to Splash-Down Water Park where those in attendance were treated to miles of waterslides, Spokane sun and hours of fun! As the morning approached the breakfast casserole could be smelled cooking. Like all great breakfast casseroles, the food and the fun had to come to an end, but the good news is that summer 2016 and another Empire Days are only a year away. In addition to the fun had at Empire Days, your Deputy State Master Councilor and your State Junior Councilor also learned an important, albeit expensive, lesson in parking an unattended vehicle in a tow away zone in Seattle. This just proves that with DeMolay, you just never know where the next learning opportunity will be and it may just be on the back of a tow truck!

## WACup 2015 Recap

On an only slightly rainy Saturday in July, Washington DeMolay hosted their annual softball tournament in Bremerton, WA. The night before there was an epic kickball game with minimal grass stains. The next morning is when the real contest started! DeMolay, Rainbow, and Jobies were all geared up and ready to compete! The day was full of fun, competition and tasty snacks from the concession stand. But at the end of the day there can only be one! A special thank you to the Edward James and Kitsap team for giving everyone a very entertaining finals game. Also a huge congratulations to Kitsap Chapter who took 1st place, which

is not an easy task! Everyone then went to Wildcat Lake to come together and enjoy fellowship, a delicious spaghetti dinner, and a refreshing swim by a few brave people! It was a wonderful day and Washington DeMolay hopes to see everyone at WACup 2016!

## THE SMC'S WONDERFUL WORDS

Hey All!

Take a moment to relax as this comes to an end! The State Corps and State Chapter has been busy traveling and calling all of our chapters, especially those in the further parts of the state. I know I speak on behalf of all of us when I say thank you for making this summer so memorable and fun! We have had two amazing state events this summer that I would love to look back upon! WACup was so much fun seeing the chapters put on their gloves and swing for those home runs and grand slams! And though we didn't see many home runs, seeing you all really made the month of July special! Weekend of Ohana was one of those events that you didn't want to miss! Not because you wanted to test how your tent would float, but because it was a very special event! That's because we partnered up with Washington Job's Daughters to combine our state events... How cool was that!? The bonds that we formed with our Job's Daughter and Rainbow sisters will surely last for years. I was so proud of all the chapters that went out of their way to mingle with the Bethels. I hope you all had fun and put your clothes through the dryer when you got back. Oh

wait! I almost forgot, that pageant was crazy awesome! I can't wait to see all of your lovely faces at the Masonic Youth Day at the Fair on September 12, 2015, Fall WADA on October 10, 2015, and Grand Master's Class on October 17, 2015... Don't forget to bring your friends and the new people at school to have them join our amazing organization! Masonic Youth Day at the Fair would be the perfect opportunity to introduce them to the whole Masonic Family!

Ohana Means Family and the Masonic Family Means No One Gets Left Behind. Or Forgotten.

## DEMOLAY OF THE PUBLICATION

### BRO. KENDALL HARRIS

Kendall is a great example of how a DeMolay should be. During his time in DeMolay, he has shown great leadership qualities such as knowing how to motivate members and incorporate a lot of fun! During our annual camping trip a few weeks ago, he really put the WOO in Weekend Of Ohana! At the Merle E. Luther OV last week, he really helped make it one full of a lot of laughs, a lot of leadership, and a lot of great food! MEL Chapter's future is very bright with him being in it! Congratulations Bro. Harris, and keep up the great work!!
