GMC Membership Program

Hakuna Matata! Grand Master's Class is only a few weeks away which means you should be getting your candidates voted on and ready to go! Make sure to stay in constant contact with your candidates and their parents so they know what is going on and where they need to be. Ensure that they have been properly voted on (if you didn't have the chance to vote on them, exceptions can be made) and have paid their membership fee. Other than that, get them to Grand Master's Class, see your friend join our Order, and let us know what prize you have earned!!

WADA Fall on October 10th

The fall WADA is right around the corner on October 10th, and is going to be hosted by Olympia Chapter. This is the required training session for all Chapter Councilors, Chapter Dads and Chairman. We are going to be covering the new membership programs from your State Corps officers and the new eScribe database from DeMolay International. Please make sure you have this date set aside so you can learn about the new programs we will be sharing on this date. The cost will be \$10 and includes lunch during the day, registration is already available on the website for you to use. Also following this WADA session, Olympia Chapter is going to be offering an activity for anyone who wants to participate that involves ZOMBIES! More info to follow soon, but it will be an overnighter with dinner after WADA and breakfast in the morning will be provided for a total of \$5. Housing will be available for anyone who needs it, please contact Dad Gross if you need more info.

Investiture Day & Hockey Night

Investiture Day will be a great day for Honors and Awards for many great people in Washington DeMolay, therefore we would like everyone's show of support at the ceremonies that day December 5th, which the ceremonies will start in the afternoon at Thornton F. McElroy Lodge No. 302. Dinner will be afterwards and really delicious! When the ceremonies and dinners have been completed we ask that everyone joins us for a fun filled night of Hockey with Job's Daughters and Rainbow Girls at the ShoWare Center for the Thunderbirds game which starts at 7pm! It will be a lot of fun and a relaxing night to spend with the rest of your DeMolay and Masonic Family. We would like to see all of you at both Investiture Day and Hockey Night!

everyone wants to talk with, not about.

Masonic Youth Day RECAP

Masonic Youth Day at the Fair was an amazing time spent with friends from all Masonic Organizations! Whether you were riding on that scary wooden roller coaster, trying to score a nice stuffed animal to impress that special friend, or just eating that delicious fair food favorite this day was a lot of fun! Thank you to all those who made this day special and came out to take that sweet picture and spread the word about the Masonic Youth! A special thank you to the Masonic Grand Line members for attending and having a special presence at this awesome day!

THE SMC'S WONDERFUL WORDS

Hey All!

School has started, some of us have had our first test already, and now you should take a moment and make some affirmations. PLEASE look at the DeMolay calendar and see some of the activities that are going on around the state and visit your fellow chapters. If you have an activity and don't see it on the calendar,

submit it! We are quickly approaching Grand Master's Class and I want to encourage you to bring those new friends you have met in school to this super fun event in Auburn! We are going to have a bunch of activities, a delicious dinner, and a groovy dance! Share your experience and love of DeMolay! Don't be selfish and keep it to yourself...I had the honor of spending the last couple weeks as an Orientation Advisor for Seattle University, which means I was part of a team of over 50 returning students who each helped around 20 new students transition into college. It was amazing to part of the program and I learned a lot. One thing that has stuck with me is everyone, whether or not they appear to want it, need some kind of positive reinforcements and compliments from time to time. I want to challenge all of you to affirm another person in your chapter during Good of the Order. If you don't want to do it publicly, write an anonymous note and give it to the Scribe. I guarantee that gesture will make that persons day!

With Clear Eyes and a Full Heart,

Andrew J. Everett, SMC

DEMOLAY OF THE PUBLICATION

Bro. Cameron McGahan

Cameron is one of Washington DeMolay and Henry M. Jackson's blossoming leaders! Cameron went in as Master Councilor on the 11th of this month and instantly went to work spreading DeMolay to the public and setting a good example by leading his chapter to the Masonic Youth Day at the Fair with coordinated shirts and information about DeMolay. HMJ Chapter worked with other Masonic Family organizations to share their booth. His determination and love for DeMolay shows through his results so far in his term and his plans for the rest of it. We look forward to seeing all the things Cameron will accomplish in his chapter and beyond!
