

BILLBOARD OF BROTHERHOOD

State Master Councilor's Message:

Hey Hey Everybody!

The autumn season has fall(en) upon us. From pumpkin spice filling the air, reuniting with the rigorous rain, to Hocus Pocus and Halloweentown playing on every television possible, this time of the year is definitely a splendid time to spend with your family, enjoying Mother Nature, and having a blast with your Chapters.

There's a lot that's happening in the wonderful world of Washington DeMolay! WACup was an absolute "ball" from the supersonic rain, killer kickballin', and dandy dunk tank. WADA had an absolute great showing with plenty of members from around the jurisdiction to learn about running a meeting, leading their Chapters, pens, and pineapples. It was awesome to honor those selected to the Chevalier, Cross of Honor and Legion of Honor at Investiture Day.

Let's also not forget that Hockey Night was a hoot, it was stellar seeing tons of DeMolay rally towels displayed on the arena's jumbotron. We have also have had nonstop Official Visits this year. Our revamped OV program has been designed to assess what the needs of Chapters are and what we as a State can do to assist them, and it has been a real journey having this new program.

Don't forget that Grand Master's Class is coming up on November 12th! GMC is the perfect opportunity to bring in your friends and family into DeMolay. You can even earn some cool DeMolay swagger for you and your friend if you bring them in!

Just because it's fall, it doesn't mean we can't level up DeMolay. Go out there and make a difference!

Fraternally,

Luke A. Walker
State Master Councilor
Washington DeMolay

A big congratulations to all of the designates. They are all very deserving for their many hours, months, and years of service on behalf of DeMolay in Washington, and their Chapters in particular.

Hockey Night was yet another great event to be at. It was "Pink the Rink" night and we proudly displayed lots of DeMolay support and worked hard to get our name out there. We were waving around our Green, Washington DeMolay Rally Towels (Check out coupon below) and we got on the big screen multiple times! All in all, Hockey Night was a successful and overall fun event.

WaCup 2016 - Gotta Go Fast!

"Play Ball!" This was the phrase that started an awesome weekend. WACup 2016 began on Friday night at a Mariners vs Astros baseball game. There was fun, food, and brotherhood there, even in the defeat that the Mariners felt, spirits were still

high going into the kickball

tournament the next day.

The morning came with a common showing of Washington Liquid Sunshine, but the members braved it out, playing hard and having fun. And it payed off with

a rare sighting of MaSonic the Hedgehog running in to join the fun. After a hard day of play, the Tacoma/Kitsap Chapter team reigned supreme and claimed the 1st place at the end of the day. Kicking their way into history as the first kickball champions of Washington DeMolay. Those who want to claim this title next will have to start preparing for next year!

Why did Donkey Kong go to the dentist? To prevent tooth DK!

FREE RALLY TOWEL

One Free DeMolay Rally Towel!!!

Valid at Grand Masters Class 2016. In order to redeem, you must be registered and attend Grand Masters Class 2016. This coupon may be redeemed for one DeMolay Rally Towel. To clarify, we do not mean those green and awesome Rally Towels that Washington DeMolay was providing at Hockey Night. We literally mean a DeMolay Rally Towel, or a Rally Towel that was used by a DeMolay. The State Corps in fact, we know they have plenty of them. After a long day of honoring MW Jim Mendoza and performing our lovely degrees, their Rally Towels will definitely have their own uniqueness, so be one of the first eight after the DeMolay Degree to mention this coupon and receive your prize. May the odds be in your favor.
