Welcome to Summer in Washington...

It is our desire to ensure frequent communications are taking place throughout the jurisdiction. Thank you for your effort in accomplishing this important mission. Washington at ISC Session

Washington was well represented in Orlando

As many of you know we just returned from our sessions in Orlando Florida for this years Congress and Supreme Council Meetings. Brothers Andrew and Luke were very involved in the activities of the Congress as they had prominent roles in pushing forward the **Squires Program** (which is now officially recognized by DI) created by Dad Ed Trefts, a former EO here in WA, and the new **DeMolay APP**, which was presented and received official adoption and funding to make it a reality. They both represented Washington well and gave us reason to be proud.

Also during the ISC Sessions, Dad Brunson was actively involved with some legislative call items put forth for the body to consider, and represented Washington quite admirably. If you would like to read more about the various call items just [click here for details](#) on each and the results of the votes. Additionally during the sessions, Dad Gross was elected to Active (class 1) status and Dad Frank Rinehart and Dad Kevin Reid were elected to Deputy (class 3) members of the Supreme Council. [See the official announcement here](#). Then during the Hall of Fame banquet this year, our own Dad Brunson was recognized by the Grand Master with the Golden Eagle "Builder's Award". These are very distinguished awards given only by the Grand Master of DeMolay. Then finally as the night was concluding our very own **Dad Dave Compton was distinguished with a Golden Eagle "Lifetime Achievement Award"** for his many years of service to DeMolay in Washington and across the country, as well as for his impact on the lives of so many young men he has influenced over the years. A big congratulations to him and everyone who was recognized during the sessions this year.
