"Stop The Bleed" at Convention 2019?

Immediate response training for all in attendance...

If you were at Convention you had the opportunity to participate in a new training that we offered this year. "Stop The Bleed" is a 90 minute RED CROSS certification training that addresses the immediate responders in an emergency situation and how they can help before the professionals arrive on scene.

With the unfortunate reality of situations becoming more common in our world it was determined that this was appropriate information for our members to have. Below is a link to an article on CNN talking more about this training and its value to those who find themselves in this type of situation. Please share this with your members, especially those who were unable to attend Convention this year. The more we all do to educate ourselves, the better we can help save lives.

2019 Pacific Northwest DeMolay Leadership Conference

Are you registered yet...

The PNW DLC 2019 will be held July 14-20, 2019 at Camp Sheppard once again. [Registration](#) is open and available online right now.

We had one of our biggest and best Conferences in many years in 2018 with a nearly 80% attendance increase over the previous year. It was truly an amazing week by all who were there.

Please spread the word so that we can get even more youth there for 2019 and continue to make it one of the premier events we have to offer. We have continued adding content to the website and even more will be available in the coming weeks. The address is www.pnwdlc.org. The Facebook page is also another way to stay connected to the camp.

If you have any questions you can reach out to [Dad Chris Wheeler](#) or [Dad Brian Gross](#). Don't miss out on this amazing experience that will enhance your DeMolay journey beyond words, just ask anyone who has been previously. We can't wait to see you in 2019.

Galloping Gavel Program

Do you want to take the traveling gavel?

Washington DeMolay's Galloping Gavel is a program that will be used to increase traveling within the jurisdiction. This will encourage traveling and turn travel into a type of friendly competition.

Traveling is something that many say is the reason they are as active as they are. This will not only help strengthen bonds within a Chapter but also, it will help people see how other Chapters do certain things and what can be improved on in their own home Chapter. In addition, this will help in strengthening the bonds between our brothers no matter where they are from.
