You can go into [eScribe](#) and select adult registrations to find your form for 2020. While in [eScribe](#) please confirm that the right email is listed for you, so that you are receiving all relevant info. from DeMolay International. If you need help or have questions you can reach out to [Dad Gross](#) or your Deputy for assistance. **Please get yours completed today!***

Grand Membership Class!

November 23, 2019...

Membership...Membership...Membership!!!

*We are so close to positive membership growth for this year. In Washington we are close to having positive growth for the first time in a very long time and we will be holding a membership class on **November 23rd @ Centennial Lodge in Snohomish** to help push us toward our goal of making that happen.*

Please set aside the date and plan to bring all your friends who need to be initiated as we celebrate our growth. More details will be communicated soon and registration will be due on November 13th. If you have any questions you can reach out to [SSC Kenneth Copeland](#).

Annual Reports Available Now

Chairman please follow up with your Chapter's report...

As we discussed at WADA a few weeks back your annual reports are available for you to sign in to and complete. The process is still the same as the last couple of years, and now is available to save and come back to for ongoing use. Just login and fill out everything and if you need to stop to get details for any reason then you can save and complete after doing so. As we move into the next year you should also follow this process so that at the end of the year you will have much less to recap when completing the report for next year.

Chapter Communications

How does your Chapter communicate with each other...

At the last WADA we had a lot of wonderful conversations and a big one centered around how our Chapters choose to communicate among their members. The BAND app, SLACK, and DISCORD were three of the most popular options discussed. They are all readily available in your app store for your phone or even on your computer at home.

With this being such an important part of how we manage our Chapters you are encouraged to check them out and see if one will work for your Chapter to assist in how you go about sharing information and details of what is happening in your local Chapter. Be sure to survey your membership so you get the best buy in from the most people. If you have questions ask around.

Updated Protocol (Introductions) Guide

Be sure to review the updated version...

Greeting MC's and Chapter Dad's,

With the passing of the legislation at Conclave that changed the titles of the State Corps, we needed to do a bit of editing to the Protocol (Introductions) Guide. It have been completely updated with a few other changes and uploaded to the State Website under the Resources tab, Online Resources, and then Policies.

Click here: <https://www.wademolay.org/forms-resources-policies.html>

This is effective immediately, so toss all the old ones you have printed and begin using this newest version. A little hint, before your next big meeting/event where you will need to do formal introductions, spend a few minutes doing a practice with your MC and Marshal. Remember ~ it's the small things that make a huge impression.

Thank you!
Dad Brunson, EO

Galloping Gavel Program

Do you want to take the traveling gavel?

Washington DeMolay's Galloping Gavel is a program that will be used to increase traveling within the jurisdiction. This will encourage traveling and turn travel into a type of friendly competition.

Traveling is something that many say is the reason they are as active as they are. This will not only help strengthen bonds within a Chapter but also, it will help people see how other Chapters do certain things and what can be improved on in their own home Chapter. In addition, this will help in strengthening the bonds between our brothers no matter where they are from.
