PARENT / GUARDIAN LETTER OF PERMISSION

Instructions. *This is a sample letter to be used as a guide for parent(s) and legal guardian(s) giving consent for their son to run for Elected State Office. An Elected State Officer is expected to provide a service to the Members of Washington DeMolay. As with all extra-curricular activities at a high level, this involves a considerable amount of time and travel around the state and, in some cases, outside of the jurisdiction. An Elected State Officer is expected to have the ability to communicate by cell phone and email and be able to travel to meetings and functions. While the Jurisdiction does provide a small budget for travel, many times an Elected State Officer will be purchasing meals away from home or paying for gas or event functions that are not reimbursed or are beyond the limits of their budget. Because we know that many times Elected State Officers call upon family support to bridge the additional expenses, we request that you provide a letter of support acknowledging that your son is seeking this office and that you have an understanding that, if elected, your son will have additional responsibilities that can and will require his time and reasonable travel. Due Sunday, February 28, 2024.*

Re: Candidate for SJC: Louis Lower, Jr.

Dear Dad Brunson,

It is our pleasure to offer this letter of support for our son Louis Lower, Jr. Louis is seeking approval to run for the office of State Junior Councilor. We understand that Louis, if elected, will be asked to spend a considerable amount of time on behalf of the members of Washington DeMolay including travel to Chapter, Region and State functions as well as State Corps Meetings and training. We understand that this may impact his school and home life but are excited for the opportunity of personal growth that this position will offer him. We are also aware that there is some financial cost to service including cell phone, travel, meals, event money, dress clothes and incidentals and we can or will make arrangements to accommodate those needs.

We also want to let you know that our son is a great kid. He always does his chores without question, including doing the dishes right now. He shows respect for his parents and elders, is an honor roll student and has high aspirations in DeMolay.

Thank you for your consideration of our son. Please feel free to contact us directly at 555-555-5555 should you need any further information.

Sincerely,

Marge E. Lower
